TO THE NURSERY TRADE.

In presenting you with our regular wholesale trade list for this season we wish to thank our customers and friends for the liberal patronage given us in the past and we hope to have the pleasure of serving you more in the future.

To new customers we would suggest that you give us a trial order and be convinced that our stock and service is as good as can be had regardless of the prices paid. Our motto is that each customer must be satisfied.

In growing the stock listed herein we have tried to produce a quality of stock that will give entire satisfaction. In establishing the prices we have based them on the advantage that quantity production affords and we are therefore able to make the prices that are in this list.

PRICES. Prices in this list cancel all previous quotations and are subject to change without notice.

TERMS AND CONDITIONS. Five (5) percent discount and free boxing and packing for cash with order. Free packing does not apply to balled and burlapped items. Two (2) percent ten days; one (1) percent, thirty days; net, sixty days from date of shipment.

Cash, security, or satisfactory reference is required from unknown parties. Orders to be sent C. O. D. should be accompanied by one-fourth cash. Interest charged on past due accounts. Any State or Federal tax that may be levied must be paid by the purchaser.

We charge for boxing and baling at cost of material used. Where stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. We are careful to keep our varieties true to name as labeled, and we will replace, on proper proof, any stock that may prove otherwise, free of charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. No claims will be considered unless made within ten days after receipt of goods.

SHIPPING—We request customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions we use our best judgment, but without assuming responsibility. All shipments travel at risk of expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 600 miles. Charges average about the same or less than railroad rates with delivery at your door with no packing charges. If interested write for further information.
